## Job Posting: Consultant for Videography

### Overview of the Company:

As a Rangamati-based NGO, ASHIKA Development Associates is dedicated to delivering excellence and innovation in all of our programs. We take great satisfaction in our innovative methods, state-of-the-art tools, and capacity to convey engaging narratives via visual media. We are searching for a skilled and seasoned Videography Consultant to join our vibrant team as we grow.

**Role:** Consultant in Videography.

**Place:** Rangamati, Chittagong Hill Tracts, Bangladesh (**Note: Travel may be required for this role.**)

**Type:** Contract-based

**Application Deadline:** [March 18, 2024]

### Function Synopsis:

In your capacity as a Videography Consultant, you will be instrumental in developing the visual narrative that propels our projects and brand. In close collaboration with our product, marketing, and creative teams, you will create top-notch video content that appeals to our target audience and supports our strategic goals.

### Primary Accountabilities:

- Work together with internal stakeholders to develop innovative video solutions and comprehend project objectives.
- Arrange and carry out the entire production process, including storyboarding, filming, editing, and post-production, for a variety of video projects.
- Provide knowledgeable guidance on best practices, trends, and videography techniques to improve the caliber and impact of our material.
- Manage and keep an eye on outside vendors and contractors for videography to make sure deliverables adhere to our strict requirements and timelines.
