1.	Hand tools Kit	A set of essential tools for maintaining, repairing and servicing the bamboo machineries activities.	No	1			
2.	Airless Paint sprayer for Varnish	Electric Airless Paint Sprayer, 220–240 V/50 Hz, maximum pressure 200–250 bar, High-pressure hose, Minimum 7.5 m (25 ft)	No	2			
3.	Bamboo Burner machine (with Gas Cylinder)	Bamboo Burner Machine with LPG Cylinder	No	2			
4.	Angle Grinder machine	Heavy-Duty Angle Grinder Machine, 1,000–1,200 W, 220–240 V, 50 Hz, adjustable safety guard, side handle, heavy-duty motor and necessary cutting, grinding and flap discs, suitable for bamboo processing and fabrication work.	No	2			
5.	Drill machine	Mini Electric Drill Machine, 500–700 W, 220–240 V, variable speed, 10 mm chuck, forward/reverse function.	No	2			
6.	Pneumatic Nail gun	Pneumatic Nail Gun, 18 Gauge, suitable for 10–50 mm nails capacity	No	1			

SL. No.	Item	Specification	Unit	Quantity	Unit Price	Total Price	Remarks
7.	Bamboo cross cutter machine	Electric Bamboo Pole/Cross-Cutting Machine, heavy-duty type, suitable for round bamboo poles of approximately 30–150 mm diameter, equipped with 2–3 HP motor, 220-240 V, 50 Hz, single-phase power supply, 300–400 mm carbide-tipped circular saw blade, adjustable cutting-length guide, heavy-duty steel frame/table, bamboo clamping/support system, blade safety guard, emergency stop and overload protection, complete with standard accessories and spare blade.	No	1			
8.	CO_2 Laser Engraving Machine (40W–60W)	CO_2 Laser Engraving & Cutting Machine, 60W sealed CO_2 laser tube, minimum working area 600 × 400 mm, preferably 900 × 600 mm, suitable for bamboo, wood, plywood, MDF, acrylic and other non-metallic materials; engraving speed up to approximately 600 mm/s.	No	1			
LOT-B (Bamboo Product Manufacturing Machinery and Tools):							
9.	Bamboo Splitting machine	Automatic/Semi-Automatic Bamboo Splitting Machine, heavy-duty type, suitable for round bamboo poles of approximately 30–150 mm diameter, equipped with 3–5 HP motor, 380–415 V, 50 Hz, 3-phase power supply, interchangeable hardened steel splitting blades, heavy-duty steel frame, feeding and bamboo support system, safety guards, emergency stop and overload protection, complete with spare blades and standard accessories	No	1			
10.	Bamboo Slicing machine	1 Unit Electric Bamboo Slicing/Splitting Machine suitable for processing bamboo poles into uniform strips/slivers for bamboo craft and weaving production, with 2-3 HP motor, adjustable/interchangeable 4–8 blade system, suitable for bamboo poles of approximately 30–100 mm diameter, heavy-duty steel frame, safety guards, emergency stop and necessary standard accessories, including installation and operator training.	No	2			

SL. No.	Item	Specification	Unit	Quantity	Unit Price	Total Price	Remarks
11.	Disc Belt Sander	Combination Disc & Belt Sander, 1.5–2.0 HP motor, 220–240 V/50 Hz, single phase, belt size approximately 100 × 915 mm, disc diameter approximately 150-200 mm, adjustable belt angle and work table, replaceable sanding belt/disc, adjustable belt tracking, dust extraction port, heavy-duty frame, safety guards, emergency stop and overload protection, complete with standard accessories and abrasive materials.	No	1			
12.	Lathe Machine	Light-Duty Lathe Machine, suitable for bamboo, wood and cane craft production, with minimum 250–300 mm swing, 500–750 mm distance between centers, 1.0–1.5 HP single-phase motor, variable spindle speed, 3-jaw chuck, adjustable tailstock/tool rest, safety guard, emergency stop and necessary standard accessories, including installation and operator demonstration.	No	1			

Terms & Conditions:

1.Quotation Submission: Please quote your price within Ten (10) days with letter head pad and sealed envelope; **To Convener, Procurement Committee, ASHIKA Development Associates, Kambhe House, K.K. Roy Road, Rangamati. (Last date: 10 November 2026).**

Suppliers may submit their quotations either by email or by hard copy.

- **Email Submission:** Quotations must be sent to the designated email address procurement@ashikacht.org before the submission deadline. The subject line should mention the RFQ reference number.
- **Hard Copy Submission:** Quotations must be submitted in a sealed envelope clearly marked with the RFQ title and reference number, and delivered to the specified office address **Head Office, ASHIKA Development Associates, K.K Roy Road, Rangamati.** before the submission deadline.

2. **Validity of Quotation:** The quotation must remain valid for at least 60 calendar days from the submission deadline.
3. **Price:** Prices must be quoted in BDT (Bangladesh Taka) and include all applicable taxes, VAT, transportation, packing, and delivery charges.
4. **Delivery:** All machinery and tools must be delivered to the specified delivery location within the agreed delivery period after receiving the Purchase Order (PO).
5. **Quality:** All supplied items must be new, genuine, unused, and of the specified brand/model or equivalent approved quality.
6. **Warranty:** Suppliers must provide a minimum warranty period (e.g. 12 months) for machinery, where applicable.

7. **Inspection & Acceptance:** The buyer reserves the right to inspect the goods before acceptance. Items not meeting specifications may be rejected and replaced by the supplier at no additional cost.
8**. Payment Terms:** Payment will be made after successful delivery, inspection, and submission of the required invoice and supporting documents.
9. **Installation**: The supplier must deliver and install the machinery at ASHIKA Development Associates, Rangamati at their own cost. Installation shall be completed within the agreed delivery and installation timeline.
10. **Training**: The supplier must provide basic operational training to ASHIKA's designated staff after installation. The training should cover safe operation, routine maintenance, and basic troubleshooting of the machinery, at no additional cost.
11. Required Documents: Suppliers should submit:

- Updated Valid Trade License
- TIN Certificate
- BIN/VAT Registration (if applicable)
- NID
- Income Tax Return Certificates
- Bank Solvency Certificate

12. **Partial Delivery:** Partial delivery is not allowed unless approved by the purchaser.
13. **Right to Accept or Reject:** The purchaser reserves the right to accept or reject any or all quotations without assigning any reason.

Therefore, you are requested to quote the items for our needs.

Very Sincerely

Convener
